

Understanding the Impact of PDABs on Patients and Providers in Oregon and Washington

Join us for a conversation about Prescription Drug Affordability Boards (PDABs) and how they may shape the future of medication access, affordability, and patient-centered care in Oregon and Washington.

Hosted by:

Caring Ambassadors & Coalition of State Rheumatology Organizations

You'll Learn:

- What PDABs are and how they operate
- How PDABs affect patient-provider treatment decisions
- Barriers to medication access
- How to get involved in the PDAB process

DATE

JUNE 17, 2025

TIME

12PM – 1PM PST
